Project Aim

EQAFIT is a 26 months Project co-funded by the Erasmus+ programme of the European Commission which aims to support iVET Providers in the FSS to improve their quality offer through the implementation of QA principles in line with EQAVET recommendations.

In particular, EQAFIT will develop customized and user-friendly online services, both to integrate what already developed in previous EU Projects, and new ones specifically designed to cater to the QA needs of employers and VET providers.
