Enhanced Quality Assurance  
in the Financial Training

## The EQAFIT project comes to an end

After two years of committed work, the EQAFIT team held the last transnational meeting in Barcelona.

The hybrid meeting was very fruitful and all partners contributed with the last remaining tasks.

## LATEST OUTCOMES

The EQAFIT project has successfully completed all its activities. To finalise the project, the consortium has attended the Delegation of the European Commission in Barcelona for the final dissemination of all its results and the testing of the online tool available in all the official languages of the different countries of the project.

Stakeholders and experts from the financial sector attended the event in person.

The final conference of this project took place in Barcelona on 9 February 2023.
